1 Print

To ensure accurate scaling and proper sizing, use the following printer settings:

1. With the Printable Sizing Jig pdf open in Adobe Reader, go to the File menu.
2. Click the Print sub-menu item.
3. Make sure scale is set at 100%.
4. Print.
5. After printing, verify that the scale on this sheet is accurate with a standard ruler.

2 Assemble

1. Follow the printing instructions (to the left). If the scaling is accurate, continue on.
2. Cut/fold along the dotted lines on the jigs' Top and Bottom portions.
3. Tape the Top and Bottom portions of the Left and Right sizing jigs at their corresponding dotted lines.

3 Size

1. Make sure the patient is wearing socks and have him/her stand on the jig. Align the outermost part of the heel and the inside of the foot with the designated lines on the jig.
**See Figures 1 and 2 above.*
2. Choose the length that will allow ¼ to ½ inch (.64 to 1.3 cm.) for growth.
